

ROBERT WOOD JOHNSON
UNIVERSITY HOSPITAL

PHTLS

PreHospital Trauma Life Support

Learn from our experienced staff of instructors including EMTs, Paramedics, RNs and Level One Trauma Surgeons

Practice prehospital trauma management techniques with a variety of equipment on our new training manikins

Improve critical thinking and decision making with dynamic, hands-on training scenarios

PHTLS is the continuing education program developed by the National Association of Emergency Medical Technicians in cooperation with the Committee on Trauma of the American College of Surgeons and their New Jersey Committee on Trauma.

**Combined Provider Course, 16 CEU's
\$250.00 (includes textbook)**
