April 22	May 20	June 10
July 22	August 19	September 21
October 21	November 30	December 9

An American Heart Association BLS for the Healthcare Providers card that is current on the date of the skill session is required to register. There is no extension or grace period by starting this process. Students must submit proof they completed the on-line renewal at www.onlineaha.org no more than 60 days prior to their skill session. Candidates must come prepared and should take no more than 15 minutes for their skill session. Students who require significant remediation will be directed to repeat a regular course.

BLS INSTRUCTOR (\$175*)

Dates to be announced

This workshop prepares participants to offer the entire array of AHA CPR, AED, and first aid programs. Qualified candidates must have a:

- Current BLS for Healthcare Providers card
- Documented sponsorship from an American Heart Association Training Center
- Mastery of BLS and CPR information and skills from the 2005 Guidelines for CPR and ECC.
- Commitment to teach a minimum of two courses per year for their sponsoring AHA Training Center.

The process begins with verification of model CPR skills and written testing.

Candidates who demonstrate adequate skill performance may continue in the workshop. The process concludes with successful participants being monitored while teaching in an actual course which is mutually scheduled. There is a registration deadline for the workshop.

**Use of American Heart Association materials in an educational course does not represent course sponsorship by the American Heart Association. Any fees charged for such a course, except for a portion of fees needed for AHA course materials, do not represent income to the Association.*
